

# Arts in Education

September 2023

## Registration is Open!

Amplify literary expression and public speaking skills with the Poetry Out Loud® program. Open to high school students and teachers, this initiative, sponsored by The National Endowment for the Arts and the Poetry Foundation, offers over \$100,000 in awards to state- and national-level winners. Dive into the world of poetry, build confidence, and enrich your curriculum. Explore the plethora of resources and benefits provided to participating schools, including funding for poet visits.

## Artist in Residence Grant (AIR)

Unleash the creative potential within your classroom with the Artist in Residence (AIR) grant. This noncompetitive reimbursement program offers up to \$2,500 in support for dynamic collaborations between professional artists and North Dakota pre-K-12 students and teachers. Whether it's within traditional school settings or during after-school and summer programs, the AIR grant redefines education through art. Applications are being accepted now! Act fast to secure your spot in this transformative journey.

**Apply Now | NDCA Artist Roster**

## Arts in Afterschool Funding

Elevate your students' after-school experiences with arts programming through the ND Afterschool Network. Collaborating with the ND Council on the Arts, this initiative is offering funding of \$500 - \$2,000 for K-12 afterschool and out-of-school time programs in the 2023-2024 school year. Strengthen connections between afterschool activities, artists, arts organizations, and your community by exploring the possibilities of this unique opportunity.
